

QEW / CREDIT RIVER IMPROVEMENT PROJECT

Construction on the QEW/Credit River Improvement Project has started.

This newsletter is an introduction to the project Communications Team as well as an overview of the Project's highlights and the initial construction schedule.

THE COMMUNICATIONS TEAM

EDCO – the construction team for the QEW/Credit River Improvements project has identified Cameron Coleman and Melanie Abdi as the project communications representatives. Our role is to be the liaison between the project team and the public. It is our responsibility to provide construction updates and to field all comments. All comments are documented, tracked and responded to.

We will keep the public updated during each phase of the project through this quarterly newsletter, as well as through the project website: <http://gewcreditriver.ca>

At EDCO, we strongly believe that communication is key to delivering a successful project. Please reach out to us:

email: info@gewcreditriver.ca

phone: 1-866-624-9114

or visit the website to subscribe for updates.

PROJECT HIGHLIGHTS

- Construction of a new QEW twin bridge north of the existing Credit River Bridge
- Rehabilitation of the existing QEW Credit River Bridge
- Replacement of the QEW - Mississauga Road overpass
- Improvements/reconfiguration of the QEW -Mississauga Road interchange
- Construction of a new multi-use trail that will cross the Credit River linking the existing trail
- Construction of a new pedestrian bridge over the QEW at Stavebank Road

QUICK FACTS

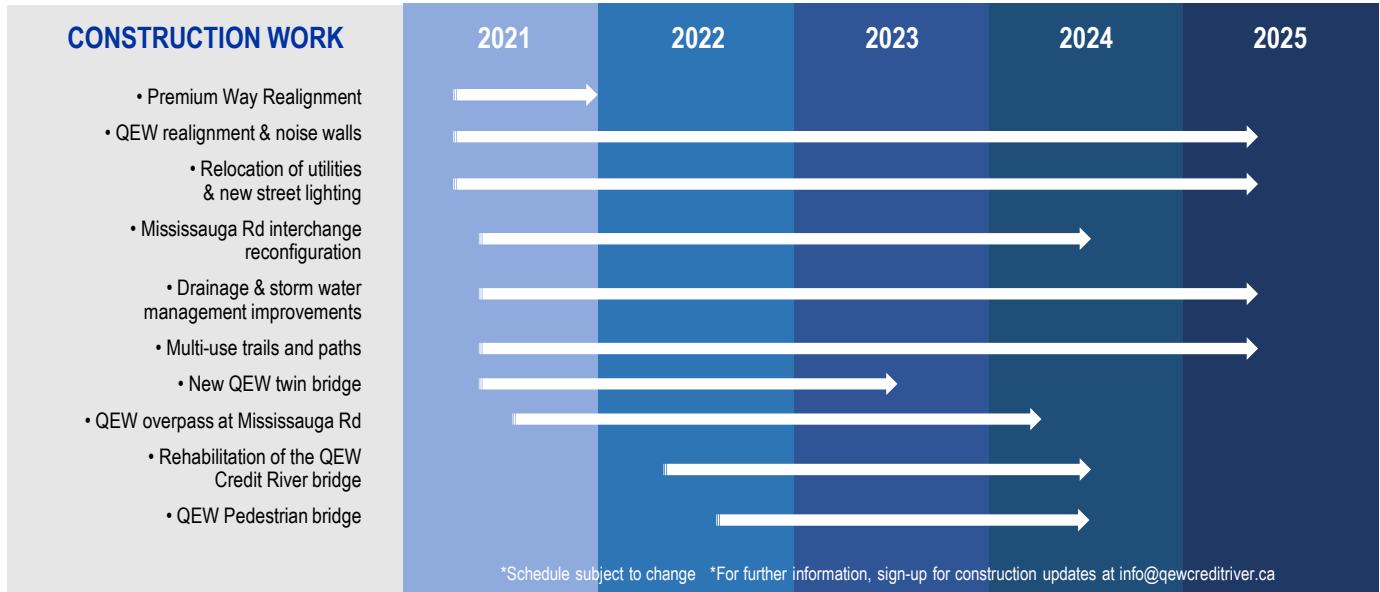

- Preservation of the existing Credit River Bridge, a provincial heritage structure
- 2.6 km of highway improvements
- C100+ unionized trade workers
- All QEW lanes will be kept open during the day

CONSTRUCTION SCHEDULE

Below is the visual overview of our construction schedule that will be updated as the work progresses.

CONSTRUCTION UPDATES

The project is in the initial-construction phase. To date, isolated construction areas within the Credit River have been established and the construction areas are being delineated.

Credit River Bridge Looking West

Credit River Bridge Looking East

Premium Way Looking East

Mississauga Road Looking South

COMING SOON: DESIGN & CONSTRUCTION REPORT 3

EDCO's first virtual Public Information Centre (PIC) for the Project is to be held in late summer of 2021. The goal of this **virtual** meeting is to provide an opportunity for members of the Public to learn more about the project and provide feedback on the different elements of construction.

A third Design and Construction Report (DCR 3) for the Project is being prepared to provide design details for different components of the Project including the details on the multi-use trails and landscaping.

Stay tuned for the formal notice and further information relating to upcoming PIC and DCR.
